FAQ

- **How much can I request, what is a Club Cap?**
 - A club can request \$1200 from the ICC every Academic School year
 - Additionally, once a club has used their \$1200, they can request another \$1200 through the ICC General Fund that needs to be approved by the General Council.
- **How can I see how much ICC funds my club has remaining?**
 - Email icc@csumb.edu
- **How do I check my club's trust account?**
 - Email icc@csumb.edu
- **How quickly will I get the items I ordered?**
 - Order at least 3 weeks in advance to get the items on time. Things can always go wrong so the earlier you submit a proposal, the better.
- **What should my presentation look like?**
 - It should look exactly like this:  ICC Funding Proposal (ClubName) 2025/2026
- **When are the executive/general council meetings?**
 - General council meetings are the first Monday of every month from 12pm-2pm in OSU rm 210.
 - Executive council meetings are every Monday other than the first Monday of the month from 12pm-2pm in the OSU, rm 311.

 - You can either attend a later meeting for your funding proposal or send someone else from your club to present for the proposal.
- **When should I submit my proposal?**
 - Proposals can be submitted at any time, but the deadline to be seen at Monday's council is always Friday at 8am.
 - In order to be seen as fast as possible proposals should be submitted before this deadline.
- **Can I purchase food?**
 - Yes, but on campus events must be catered by Chartwells (<https://csumb.catertrax.com/>), the on campus food company.
 - Chartwells has a \$50 fee if the total is under \$150, we recommend ordering more.
 - Pizza is now also a pick up only food, they won't deliver it to clubs
 - Food also can not be ordered to academic spaces
- **Can I purchase clothing?**
 - Yes, but there is a limit of \$300 per academic year that can be spent by a club on clothes.

- **What if I want to travel off campus?**
 - The ICC can only give \$300 per academic year for any off campus events a club wishes to host.
 - Additionally, if an event is multiple days, the club is required to pay \$75 per person per day for the food for the people attending the event. For this reason we are strongly recommending against travel events
- **What counts as travel?**
 - Anything off campus. Even buying materials for an event off campus comes from the \$300 travel budget.
- **What can I not purchase?**
 - Alcohol, lottery tickets, weapons, food for on campus events unless it goes through Chartwells (see above).
