

How to Start an ICC-Recognized Student Organization

When can I start a new organization?

New groups can **only** register in the months of **November** and **April** to start the following semester. i.e., November registration means the organization will not be active till the start of the spring semester. April registration means the organization will not be active till the start of the fall semester.

What is ICC?

If it's not a sports club or a social greek organization, then it's an Inter-Club Council (ICC) Organization. ICC is the governing board for all Inter-Club Council Organizations. There is an elected executive board that is made up of a Chair, Treasurer, Secretary, and Public Relations Officer. The board leads the weekly funding request meetings and the monthly all-council meetings (every RSO is required to have a representative present at the monthly meetings).
