- Include an itemized list of items
 - We will **NOT** accept solely just a price summary. We must be able to see each item you are buying with ICC funds.
- Include tax, fees, shipping costs, etc.. in how much you're requesting.
 - **Overestimate! That's the best way to make sure the ordering process goes smoothly**
 - If the price tag is \$742, request \$800.
 - Failure to account for this will result in the remaining balance being charged to your club's trust balance.
 - If anything is on sale when you request, it might not be on sale when we order!
 - You can delete this slide :)
