

Protocols in Event Spaces at CSUMB

For Event Organizers

(Updated as of February 2026)

UACE ROLE:

University Affairs, Ceremonies, and Events (UACE) serves as the special events department for campus and community events. UACE educates, facilitates, and communicates to ensure all campus sponsored events (either on or off campus grounds) are held safely and successfully, within the established guidelines and protocols. UACE manages several event facilities on campus. In those managed facilities, we offer full-service event support. This includes having an event specialist assigned to your event. In non-managed spaces on campus, UACE offers limited support services which includes providing expert event advice, direction and training on submitting service requests as well as submitting a catering request. We also interface with Catering to ensure food and beverage, if ordered, is delivered and set up in the correct location. The UACE Administrative Support Event Coordinator is the primary point of contact for non-managed spaces. They are available by calling (831) 582-4001 or via email at specialevents@csumb.edu.

The information below is provided to give you a broad overview of critical information needed to book and host an event. Please read these protocols thoroughly. You are required to acknowledge you have read and understand them when requesting a space.

UNIQUE EVENT NAME:

Please select and use a unique name for each event prior to submitting your request in 25Live. Once submitted into 25Live, event names changes are not allowed. You must also use the same event name for all other campus services associated with your event (including, but not limited to, Catering, FMD, Parking Services, etc.). Selecting and using a unique name for each event is critical to ensure your event receives the resources it needs to be held safely and successfully. Thank you.

EVENT STAFFING

Event professionals are required for all events held in UACE managed facilities. Outside of regular business hours, there may be a charge for staffing. The following staffing schedule is used by UACE to determine appropriate event staffing levels. However, please check with your event professional for specifics:

0 - 50 guests	1 UACE staff member
51- 150 guests	2 UACE staff members
150 - 250 guests	3 UACE staff members
250+ guests	4+ UACE staff members

Please note, UACE staffing's primary responsibility is safety and logistics. They do not staff check-in desks, meet and greet attendees, operate audio visual equipment or handle other administrative tasks. UACE staff is in addition to any staffing provided by your department/organization to handle these types of tasks.

BILLING/PAYMENTS:

Campus clients: For internal groups, a complete chartstring (which includes all four components: the unit, account, fund, and department) as well as the executed estimate (signed by the department authorized signer) must be returned a minimum of 14 days prior to the event date or the event is subject to cancellation.

Community clients: A signed estimate and contract, a credit card guarantee, a 50% deposit and proof of insurance are required to be completed not later than 30 days prior to the event date.

Estimates are good for 30 days. Events submitted after the booking period (14 days in advance for campus clients and 30 days in advance for community clients) will not be processed without a chartstring or credit card guarantee.

AUDIO VISUAL TECH SUPPORT

Most tech in event spaces is designed to be self-service. The exception to this standard is the University Center Auditorium, which offers three levels of technical support. View the available levels of tech support in the Auditorium [here](#). Please work with your event professional to identify your tech needs early in the process since Level 3 Tech Support is subject to technician availability.

FOOD & BEVERAGE:

All food and beverages must be purchased through the approved on [campus caterer](#). No outside food or beverage is permitted. **All catering must be submitted a minimum of 10 business days in advance or be subject to a late fee.** Food and beverage items for spontaneous events can be purchased on campus at one of the retail locations. Exceptions may be provided on rare occasions and will only be considered by submitting the request through the established process. However, there are no exceptions for food service to the public at an event or in event spaces. Violations will result in additional charges. Food and beverage is not allowed to be served in academic spaces, however, in most cases arrangements can be made to have catering setup/available adjacent to the academic space. Potlucks are not permitted in event spaces. Please work with your event professional or space scheduler for more information.

ALCOHOL SERVICE:

If an event organizer wishes to include alcohol service at an event, an [Alcohol Approval Form](#) must be submitted and approved prior to service. Requests must be submitted a minimum of 10 business days in advance. Alcohol may only be served after 4PM.

Alcohol service requests must be submitted 30 days in advance.

Events hosted in the Otter Express require an Alcohol Approval Form to be submitted as part of the event booking process. An Alcohol Approval Form is required because there is a reasonable expectation that guests may consume alcohol as it is available for sale at the facility, even if event organizers are not hosting alcoholic beverages.

FOOD REMOVAL GUIDELINES:

Clear food removal guidelines are essential for maintaining safety and proper event operation by establishing firm but respectful policies helps ensure that catering resources are reserved for participants, prevents shortages, and supports accurate planning and budgeting. The following guidelines outline how to manage and communicate expectations around food access and removal in a consistent and professional manner. Please review the campus Food Removal Guidelines [here](#).

CUSTODIAL FEE:

A custodial fee is standard in the use of full support event spaces. The fee schedule can be found [here](#). Event facilities do not have daily custodial services, except for bathrooms and trash service. In an effort to provide a consistent fee structure for all groups using the facilities, each event space where food service, crafts or other activities is provided or takes place is charged a portion of the total custodial charge. This cost-sharing provides an equitable approach to ensuring the campus event facilities receive daily custodial service to keep the facilities clean and ready to serve all. Please note, the use of confetti, sizzle, rice or other small decorative items are prohibited. Use of these items will incur an additional \$450 cleaning fee on top of standard custodial fees. Also, if fresh flowers are a part of your event, it is your responsibility to remove the florals from the facility at the end of the event or an additional custodial charge may be assessed.

WORK ORDER/SETUPS:

All service requests must be submitted using the Facilities Management Department (FMD) [service request system](#). Please note, if the event setup contains 200+ chairs, state law dictates that all chairs must be bonded together pursuant to [California Code of Regulations 19, Section 3.06](#). Additionally, work order/set-up requests to be placed 5 days in advance for simple set-up requests (e.g., tables/chairs) and 10 days in advance for complex setups (e.g., larger events, tents, installations, etc.). **Layout requests must be submitted to your event professional (if in a UACE managed event space) a minimum of 14 days in advance.** Please be aware: moving or setting up of furniture is strictly prohibited by Union Contract.

Pop-Up Tents/Awnings:

All events where pop-up tents/awnings will be present must follow the campus guidelines for installation:

Internal event organizers using campus owned pop-up tents/awnings must work with either their Event Professional or directly with FMD (depending on event facility/space) to ensure all pop-up tents/awnings are installed safely and securely to campus standards by FMD.

Community event organizers providing their own pop-up tents/awnings must:

- 1) adhere to campus installation guidelines, which include that each pop-up/awning be made of and labeled as fire retardant material.

- 2) each leg must be weighted down with a commercially produced leg weights (13-15 pounds per leg, 50-60 pounds total per pop-up tent/awning).
- 3) water weights are not permitted.
- 4) Community event organizers/participants assume all liability associated with the installation, use and removal of their pop-up tents/awnings.
- 5) Pop-up tent/awnings are subject to inspection by the Campus Inspector of Record or other campus staff prior, during or after the event, and subject to immediate removal upon request.
- 6) must provide an approved fire extinguisher for each pop-up/awning and have it in the pop-up/awning at all times once setup.

Rainy-season events. All outdoor events scheduled during the rainy season (November - March) must include a designated rain-backup plan or be subject to cancellation. The rain-backup plan must be activated no later than three (3) business days prior to the scheduled event. Events without an implemented backup by this deadline must be cancelled. Outdoor event setups will not occur when rain is expected on the event date to reduce risks for staff, event professionals, attendees and equipment.

PARKING:

A valid parking permit is required at all times on campus or vehicles may be subject to citation. Parking permits may be purchased online by visiting [Parking Permits](#) or they may be purchased from yellow kiosks throughout campus.

If Community Service Officers are needed, please contact Parking Services or work with your assigned Event Professional. **Requests for CSOs must be submitted 14 days in advance.**

AFTER HOURS STAFFING:

Events held before 8AM or after 5PM, Monday-Friday or on weekends are subject to after hours staffing charges.

REGISTRATION:

The following registration protocols are to be followed by all event organizers. Event organizers are responsible for all costs associated with staffing.

- All event attendees must pre-register for the event.
- Events that do not provide for attendees congregating (e.g., tabling events) do not have to offer a pre-registration option.
- The information gathered during pre-registration is to be used for check-in at the event.
- Pre-registration information to be gathered on attendees includes, at a minimum, first and last name, a valid email address, and cell phone number.
- Each event must have a staffed check-in desk.
- The check-in desk should be set up and ready to receive guests no less than 15 minutes prior to the established start time and be staffed through the published conclusion time.

- The staffing at the check-in table should be prepared to verify pre-registration or complete an on-site registration to collect the same information as collected during pre-registration. This information can be accessed electronically or in paper form.
- Attendee registration information (whether gathered through pre- or on-site registration) is to be kept for a minimum of 90 days by the event organizer. The information gathered is for emergency purposes and must be provided to the appropriate on-campus stakeholders upon request.

SUSTAINABILITY:

CSUMB upholds the vision and goals outlined in the American College & University Presidents' Climate Commitment. All event organizers shall complete the Sustainable Events [Pre-Event Checklist](#) and incorporate sustainability into all events.

For more information, please contact your event specialist at specialevents@csumb.edu or via phone at (831) 582-4001. As a sustainability measure, balloon decorations are not permitted at campus events. Additionally, all catering will be served in bulk whenever possible. Also, a limited number of reusable center pieces are available for loan at your event. While they are no cost, if they are damaged or go missing, the cost of the replacement will be added to your final sales order. Please refer to our Sustainable Events Guide [here](#).

ADA:

Cal State Monterey Bay is committed to providing an inclusive environment where all individuals are treated with dignity and respect. As such, CSUMB works to make events accessible to all, with or without advance notification. You may not know what accommodations you or your guests will need yet, but frequently requested accommodations include: 1) site, 2) mobility, and 3) hearing. Please feel free to use the campus standard language in your marketing/invitation material as listed below. Please note, it is the host's responsibility to coordinate and pay for accommodation services needed. Please work with event staff to let us know what accommodations your guests may need.

CAMPUS STANDARD: CSUMB works to make events accessible for all. If you need assistance due to a disability to attend the events, please contact **EMAIL ADDRESS** or call **PHONE** 10 days prior to the event. Please include the type of assistance you are requesting in your message

Event Organizers: Please fill in the blanks with your department point of contact email and phone number prior to adding to your marketing/invitation materials.

INSURANCE COVERAGE:

All event organizers and organizations hosting an event on University property are required to obtain and maintain insurance coverage during the entire period of use of CSUMB's facilities and property. Such insurance must meet the minimum limits listed below. A special endorsement **and** a certificate of insurance are required.

Types of Insurance

General Liability

Minimum Limits: \$2,000,000 per occurrence for bodily injury, personal liability and property damage, \$5,000,000 aggregate

Employer Liability

Minimum Limits: \$1,000,000

Automobile Employer's Liability

Minimum Limits: \$1,000,000 per accident for bodily injury and property damage

Sexual Abuse or Molestation (SAM) Liability

If the general liability (mentioned above) is not endorsed to include affirmative coverage for sexual abuse or molestation, Organization shall obtain and maintain in a policy covering sexual abuse or molestation with a limit no less than \$1,000,000 per occurrence or claim.

The Certificate of Insurance endorsement must include the following verbiage as named insureds: *CSUMB, the State of California, the Trustees of the California State University, the CSU, and the employees, volunteers, officers, and agents of each, as additional insured.*

For more information on insurance, please contact Risk 30 days prior to the event date.

PROTECTION OF YOUTH:

All event organizers and organizations must abide by CSUMB's Youth Protection Policy. Information on the Youth Protection Policy can be found [here](#).

SMOKE & TOBACCO FREE CAMPUS:

Cal State Monterey Bay is a tobacco and cannabis products, including vaping, chewing tobacco, electronic cigarettes, cigarettes and marijuana (medicinal or recreational), and edibles are not permitted on campus property. Failure to comply may result in additional fees and/or removal from University.

NON-DISCRIMINATION:

CSUMB is committed to providing equal opportunity to all persons interacting with the University. In compliance with federal and state anti-discrimination laws, all users of University facilities shall not discriminate against any person by reason of sex, race, color, ancestry, religious creed, national origin, disability, age, marital status, or sexual orientation. Organization is responsible for upholding all non-discrimination practices for all operations relating to the use of CSUMB's property.

MASKING:

CSUMB remains a mask-friendly campus, meaning that anyone who chooses to wear a mask in most indoor spaces is welcome and encouraged to do so.

The university will continue to provide free masks, including 3-ply surgical and KN95 options, at these events spaces as well as other locations on campus, including:

- **Alumni Visitor Center** | Info desk at main entrance
- **Building 12** | Housing Office
- **Building 47** | Student Service Center lobby
- **Library** | First floor
- **Otter Sports Center** | Info desk at main entrance
- **Otter Student Union** | Info desk at main entrance
- **Promontory Housing Office** | Building B
- **University Center** | Info desk at main entrance

-
11. Alcohol Approval Form required for events at the Otter Express section included on June 10, 2024.
 10. Custodial Fee section included on July 26, 2023.
 9. Food & Beverage, Alcohol Service, Insurance Coverage, Protection of Youth, Smoke & Tobacco Free Campus, Non-Discrimination, and Sustainability Protocols included on June 23, 2023.
 8. COVID Protocols scaled back on October 24, 2022.
 7. Campus moved to mask friendly status on September 12, 2022.
 6. Removal of required protocols to take effect on August 15, 2022 are denoted with a ~~striketrough~~ mark. All other protocols remain in effect until further notice. The list of protocols has been rearranged for ease of use. Please see below for protocols eliminated.
 5. The provisions removed under number 4 above were reinstated on May 26, 2022 by order of the Cabinet.
 4. Removal of required protocols, approved by CSUMB Cabinet on May 12, 2022 to take effect on June 1, 2022 denoted with a "~~striketrough~~" mark. All other protocols remain in effect until further notice.
 3. Protocols marked with "***Clarification" were approved by CSUMB Cabinet, January 18, January 21 and February 3, 2022.
 2. Clarified by UACE/Risk Management, October 2021
 1. Approved by CSUMB Cabinet, August 12, 2021
